May 2018

WORK EXPERIENCE

Graphic Designer/User Interface Designer

Syracuse University • Syracuse, New York

August 2018–Present

Designs and creates graphics and animations to enhance online course material. Responsible for the placement and organization of all course materials within interfaces. Works closely with other graphic designers, videographers, and instructional designers to determine the appropriate interface and experience for the student.

Enrichment Program Teacher

Akron Public Schools • Akron, Ohio

Fall 2017–Spring 2018

Teach paint-your-own pottery to elementary school children at an after school enrichment program.

Responsibilities include:

- Demonstrating proper painting techniques
- Educating on color theory and patterns
- Monitoring all children in the classroom
- Picking up and delivering completed projects
- Keeping records of projects, studio materials, and attendance

Graphic Design Intern

Leader Graphics • Erie, Pennsylvania

Summer 2015 and 2016

Designed a wide variety of media including posters, signs, banners, flyers, and vehicle wraps. Aided with production and installation of all media designed.

Student Assistant for Graphic Design

The University of Akron

Fall 2015–Spring 2016

Worked with the Director of Marketing and Communication at The University of Akron. Projects included designing magazine advertisements, brochures, and flyers.
